PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Read:-

Correspondence ending with letter No.161 dated the 20th November 1904, from the Deputy Commissioner of the Mysore District in the matter of the management of the Kalikamba Temple in the Mysore City.

MYSORE GOVERNMENT MUZRAI SECRETARIAT 387

Order thereon No. 2983-5 C:207-2

Dated Bangalore, 19th April 1905.

The Kalikamba Temple which is a non-Muzrai institution, is situated in the Mandi Mohalla of the Mysore City. Among its devotees, are the Panchalas or gold-smiths, divided into three sections viz. (I) Andara or Telugu (2) Dravida and (3) Karnataka. The community appear to have managed the Temple amicably in a body till 1869, when owing to differences the community split up into two parties, the first two sections forming themselves into one party and a third into another. They resorted to the District Court to establish their respective claims to the right of management of the Temple in question, when the matter ended in the appointment of a committee to manage the affairs thereof. The members of the committee have since died and the question of forming a new committee is before the District Court

2. In the meanwhile, a misunderstanding having arisen between the opposing factions, and a breach of the peace having been apprehended, the City Magistrate ordered the closing of the temple by the Police, until the decision of a Court of competent jurisdiction was produced by the successful party.

3. The Telugu and Dravida class who appear to form the major portion of the devotees desire that the temple may be taken up under Government management and have executed a mutchalika to the effect &c. The other residents are also anxious to have the temple opened to public worship, as the closing of the temple is considered to be ill-omened and unsafe for the towns-people. But the leading members of the Karnataka party do not agree to

the temple being taken under Government management and set up their claim to the exclusive right of the management of the temple in question.

4. The Amildar of the Mysore Taluk, who conducted an enquiry in the matter, reports that the temple, owing to its sanctity is resorted to by all sorts of devotees, who make fair contributions on special occasions; that it enjoys an income of Rs.8/- per mensem from the rents of shops owned by it, that this item is likely to be sufficient for its daily Puja, but that, should there be a deficiency, the leading members of the Telugu and Dravida party have executed a mutchilika to bear such deficiencies and that the institution may therefore be taken up under Government management. The Divisional Officer and the Deputy Commissioner endorse the above view.

5. On a careful consideration of all the circumstances of the case, the Government are pleased to direct that, on the expiry of the period during which the order of the City Magistrate, to close the temple, has operation, the Public Prosecutor of the Mysore Division should move the said Magistrate to place the institution under the charge of the Muzrai Department. On the Court passing orders accordingly the Deputy Commissioner of the Mysore District in the Muzrai Department may assume charge of the temple and do the needful for its temporary management, till the sectional disputes are settled either amicably or by decision of a Court of Law. The income from the shops attached to the temple should be utilised towards the daily puja, any deficiency being recovered from the persons who have executed mutchalikas in this behalf.
